

**Make a Pledge  
Buy War Savings Stamps**

# Tomorrow Is National War Savings Day!

## That's the Day We Sign Up

**T**HAT'S the day we tell Uncle Sam just how hard we want to win this war. That's the day our government has officially set for us to purchase War Savings Stamps.

¶ On June 28th every man, woman and child in the United States will be called upon to pledge his or her full quota of War Savings Stamp purchases for 1918.

¶ You will be expected to pledge the full amount that you can afford—no more—but by the same token, no less.

Remember this. You take no chances when you go the limit on War Savings Stamps. They are the best and safest investment in the world. They pay you 4% interest compounded quarterly. They can't go below par. You can get back every dollar you put into War Savings Stamps any time you need it. You can turn

them in at the Post Office any time for their full value plus interest.

Uncle Sam is asking hundreds of thousands of men to give their lives to their country. He is asking you only to lend your money.

What are you lending?
